

SWIMMING CARNIVAL – ENTRY FORM

INFORMATION

1. All schools participating at the regional carnival must complete and submit an entry form to the CSEN Coordinator prior to departure on the day of the carnival.
2. This form must be completed fully, including updated changes that have occurred on the day of the carnival and signed by the Head of Sport.
3. Students that do not wish to be considered for progression to the Champions Carnival must be highlighted in fluorescent pen prior to submission of the form.
4. All other students will be considered “eligible” for progression to the Champions Carnival, and their results will be taken into consideration. If a student is selected for the Champions Carnival, they will be invoiced a competitor fee, irrespective of attendance on the Champions Swimming Carnival day.
5. If a school fails to submit an entry form at the conclusion of the regional carnival, it will be assumed that the school has different students each event and will be invoiced accordingly for participation at the Regional Carnival (that is, 120 events x Event Fee).
6. If a school fails to submit an entry form prior to departure, it will be assumed that all students in all events will be eligible for the Champions Carnival as per above. Furthermore, the school will be invoiced per event, per age group and per gender for any selected progressions to the Champions Carnival, which does not take into account a student competing in multiple events.
